Notice to Respondents to the Request for Proposals (Contractor)

**Addendum Number 2
Request for Proposals (RFP) # '14/28/P**

**Storm Water Management Improvements
Arroyo Chamisos and Santa Fe River**

The following corrections and/or clarifications shall be incorporated into the Request for Proposals (RFP) for the above-referenced project, and shall be reflected in the Contractor's proposal for the project. Any portion of the RFP not specifically modified or referenced herein or by Addendum #2 shall remain unchanged.

This Addendum forms a part of the Request for Proposals (RFP) and modifies the original RFP issued February 27, 2014. Acknowledge receipt of this Addendum in the space provided below and attach a signed copy to the proposal submittal.

Correction: Article 7.4, 7.4.1 of the General Conditions of the Contract for Design-Build in the RFP contains an error with respect to the minimum bonding requirements. The corrected article 7.4, 7.4.1 is amended to read as follows:

"7.4 BID BOND

7.4.1 Bid security is required for construction contracts over \$50,000.

Each fee proposal shall be accompanied by a bid bond executed by a company authorized to do business in the State of New Mexico or cashier's check in the amount of five per cent (5%) of the fee proposal amount, pledging that the bidder will enter into a contract with the City on the terms stated in their fee proposal, and will furnish payment on performance if required covering the faithful performance of the contract and payment of all obligations arising thereunder. Should the offeror of the fee proposal refuse to enter into such contract or fail to furnish required subsequent bonds, the amount of the bid security shall be forfeited to the City as liquidated damages, not as penalty."

End Addendum No. 2

This is to certify that I/we have read the above Addendum No. 1 dated March 13, 2014, and have incorporated it in my/our proposal.
